HOLLYWOOD LEGEND TREATMENTS

These legendary women knew that they deserved the best of everything. So do you. Choose your signature style icon, and we will give you the full star treatment: a red-carpet ready blowdry, a luxurious manicure, and (of course) a complimentary glass of perfectly chilled champagne.

~Grace Kelly

Refined elegance and unshakable self confidence: Grace Kelly knew exactly who she was, whether gracing the silver screen or stepping into the glass slipper of a real-life fairytale princess. This classic treatment pairs a subtle pink sheer nail polish with her trademark waves.

~Jackie O

Equally at home in the hallowed halls of politics and the heady whirl of the international jetset, she was a tastemaker long before the term “influencer” was invented. A chic granite grey nail polish and sleek styled hair: this sophisticated combination radiates confidence.

from €59

~Audrey Hepburn

Irrepressible and irresistible, Audrey Hepburn’s grace and spirit lives on. This signature treatment captures a taste of her timeless style with a deep red vintage red wine nail polish and a classic swept-up hairstyle.

from €59

~Brigitte Bardot

Her sultry, sleepy-eyed beauty and attitude of hedonistic liberation defined an era. To celebrate that effortless aesthetic and effervescent spirit, we’ll rendezvous with a romantic soft lavender pink nail lacquer and give you her trademark tousled locks.
