HOW TO SPA

How do I choose my treatments?

The Spa offers a full menu of treatments which will pamper, relax and revive the body, but knowing which one to choose can be a little overwhelming. Our highly trained team is here to help, and would be delighted to assist you in selecting the best treatments for your unique needs.

Consultations

The professional team at The Spa offers a confidential and complimentary consultation which will be carried out prior to commencing any treatment. It is essential to let the therapists know of any allergies and specific medical conditions to allow treatments to be specially screened and tailored for your safety and comfort.

On Arrival

The Spa kindly asks new clients to arrive 15 minutes prior to the first appointment in order to fulfil registration requirements and to complete consultation documentation. This is to avoid such formalities being carried out during the booked spa or treatment time.

What shall I wear?

The Spa provides complimentary robes and slippers. On arrival, a therapist will explain what the treatment entails and will advise which items of clothing should be worn. During treatments the therapists will drape clients appropriately and respect privacy. A swim costume and swim hat should be worn using the wet spa and any of The Spa's Thermal experiences.

Relaxation Room

Our relaxation room is there for you to enjoy after your Spa experience for up to one hour after your treatment. Unwind and enjoy the views of St. Stephen's Green with a complimentary refreshment plate of your choice. Please note that the use of our relaxation room is only available with selected treatments.

Mothers to be

The Spa has a range of treatments which are designed to be safe for 'mums to be'. Please advise of pregnancy before booking so that we may advise you of which treatments are right for you at this special time. You must be a minimum of 12 weeks pregnant to book.

Peace of Mind

The healing value of silence and tranquility cannot be overestimated. To maintain an atmosphere of calm, we ask that all our guests observe the quiet areas. We also request that mobile phones, iPhones, iPads etc. be placed in the locker on arrival, and remind clients that smoking is not permitted on the premises.

Reservations and Cancellations

Please book spa appointments in advance in order to ensure that the full range of treatments are available at your chosen time. Credit card details are required to secure an appointment. Clients who wish to change or cancel an appointment are asked to give 24 hours notice, otherwise 50% of the treatment will be charged. Unfortunately, non-arrivals will be charged with the full treatment price. Always feel free to walk in, we may have a cancellation.

And finally, a few Spa tips

A Spa experience is more than just a massage or facial. It should be a journey to another level of relaxation. To ensure the maximum benefit from a visit to The Spa, talk with your therapist beforehand to discuss preferences and any concerns you may have. Please feel free to ask questions at any point: we are here to make you feel comfortable and safe. Open communication will ensure that your treatment will not be just a wonderful and therapeutic experience, but a rewarding journey to your highest self.
